Dear Pastor and Church

Thank you for remembering the work in Mexico. It is an honor for us to represent our Lord for you in Mexico. Thank you for holding us up in Prayer. In April and May there was an average attendance in the 57 churches and missions of 3,240 with 445 saved and 40 for baptism. Thank you for the support received in April and May.

God has been good to us. We are getting ready for our camps which begin July 7 and 14. We are trusting God to give us a great harvest of young people who will surrender their lives for the Lord's service. Earlier this month, I preached a two day mission conference for a new Church pastored by one of our graduates. It is only 6 months old and has many new believers. It is their first mission conference and God blessed their faith as they gave a good faith promise offering. With it they will be able to take on at least three missionaries. A couple of weeks before while preaching in the services of this new church one was saved and others came for consecration. A week ago, while preaching on missions in one of our local churches, God blessed with a good altar call of 13 coming forward and three of them surrendering their lives to the Lord. There were over 70 present. After the services we had a ground breaking service for a new church auditorium.

The first of the month, the cyber thieves broke into our bank account in Mexico and robbed us of \$2,600.00. We are hoping and praying that we will get it back. It will be at least 1-2 months before we will know. Pray for this matter and that the bank will reimburse us this loss. The banks in Mexico have a different philosophy and practice than in the US concerning these matters.

Also, please remember the following in prayer:

- ! More laborers for the harvest.
- ! The Bible College and a good registration of at least 30 students for first year on September 1. Also, pray for the 2<sup>nd</sup> a 3<sup>rd</sup> year students who will be returning.
- ! We need a used van and pickup, no newer than 10 years old, for the Bible College. Maybe there would be someone in your Church that would like to donate one of these to the college.
- ! More for salvation and baptism
- ! Increase in support for the work
- ! The change in reporting practices of support received from churches in the U.S.
- ! Our mission trip for visiting the different works and our churches in Mexico after camp in July.

God bless you in your labors for Him.

In Christ,  
  
Larry & Sharon Lilly
