Dear Pastor and Friends,

We thank God for you and your faithfulness in His vineyard. Thank you very much for your prayers and support for the work. In June and July the total average attendance in the 56 churches and missions was 3,225, 636 saved and 98 baptized. The longer we are in the ministry, the more we are made aware that we are laborers together in the Lord. Thank you for your fellowship in the Gospel. You are in our prayers.

The month of July was abundant with God's blessings. We received a good report from the churches in attendance and the results of the Vacation Bible Schools. The first two weeks of July we had our senior and intermediate youth camps. In spite of the rain and flooding from Saturday through Wednesday, God blessed with a good spirit and lives surrendered to Him. In the senior camp there were 146 campers and 96 in the intermediate camp. In both camps there was a total of 67 consecrations and 2 for salvation. There were 18 that surrendered to full-time service, with 7 of these to enter Bible College in preparation for the ministry. The latter part of the month, we took ten days visiting our graduates in different churches, missions and youth camps in the central part of Mexico. We were in five churches and two youth camps. God blessed with several saved and 14 surrendering to full-time ministry. We thank the Lord for His blessings and your prayers.

The new school year for the Bible College begins September 1 with special services Monday night and Tuesday morning. Two of our professors will be preaching in the services. We are looking forward to a good number of new students to enroll in first year. Several are already pre-enrolled with the promise of several more. We are praying for over 30. There are 36 second and third year students returning. All of the students are required to labor full-time in one of our churches during the summer vacation. It is amazing to observe the growth in them during the summer. Remember the Bible College, staff and students in prayer. The harvest still is plenteous and the laborers are few.

Again, thank you for your part in this ministry. God bless you and give you much fruit for His glory.

Your missionaries,

Larry & Sharon Lilly
