Dear Pastor and Friends,

Masai Baptist Church

Thank you for your faithful prayer and support for the work to which God has called us. God's blessings have been abundant in the 58 churches and missions with 3,378 average attendance each Sunday, 568 saved and 85 baptized in the last two months. Two Sundays ago, we were with the Masai Baptist Mission in Cd. Valles to challenge the church with missions. Pastor Manuel, a second year student, is doing a good job. There were over 40 present and they promised 1,569.00 pesos per month for missions. They had 12 saved in the last two months.

Senior Camp

We praise the Lord for His working in the lives of the young people in the two camps this month. Senior camp had over 245 present and Junior camp had 128 present. There were a total of 8 saved; 61 came for consecration and to serve faithfully in their churches; and 19 surrendered for full-time service. Four of these are planning to enter Bible College this year. It is amazing how God threads us through the

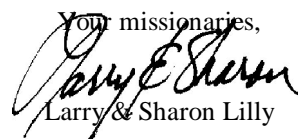

needle during this season of rain and heat. The school flooded two times the week before camp, but not during either camp. During the two weeks of camp there was good and cooler weather than usual.

Surrendered Lives

The opening of the school year 2010 - 2011 is the 6th of September. We already have a number of prospective students that are planning to begin their studies for the ministry this year. Pray for a good school year with the safe return of the 2nd and 3rd year students. Also pray for a great number of new students for 1st year. The harvest "still" is plenteous, and the laborers are "still" few.

May God bless you richly as you labor for Him in fulfilling the mission of reaching the world with the Gospel. Thank you again for your faithfulness in prayer and support for His work.

Your missionaries,

Larry & Sharon Lilly
