

# **FORGET, REMEMBER, DO**

S. Lilly , 3.83

Some things we cannot forget,  
but God can -  
if we let Him.

Some things we cannot forget,  
but God will -  
if we ask Him.

Some things we cannot forget,  
but we should -  
Christ died for them.

Some things we should remember.  
God loves us -  
gave us His Son.

Some things we should remember:  
God wants us  
to love His Son.

Some things we should remember:  
live by faith  
in Christ His Son.

We can better remember  
by daily  
reading His word.

We can better remember  
by heeding  
when our heart's stirred.

We can better remember  
practicing  
that which we've heard.

Forget, remember, do -  
this is God's message to you -  
Forget, remember, do.
