

GOD'S PLAN

**God sends some men to go
And His great message share.
Some face friend; some face foe,
As they the message bear.**

**So I must for them pray,
And give that they may live.
If on the field they stay
And God's great message give.**

**God has a plan, 'tis true;
It's plain for all to see.
I'll have a part, will you?
He needs both you and me!**
