

Someone Believed in Me

**Someone believed in me
And encouraged me along the way.
Someone believed in me
And worked with me night and day.**

**Someone said, "That's good!"
Whether it was or not, God knows.
Someone said, "That's good!"
And that sure put me on my toes!**

**Someone prayed for me
And helped me in the Christian Way.
Someone prayed for me
Until I saw the light of day.**

**Someone said, "That's wrong."
And kept me from straying away.
Someone said, "That's wrong."
And now I'm grateful, let me say.**

**I couldn't have made it
Without an encouraging word.
I couldn't have made it,
But now my heart has been stirred.**

**Someone believed in me,
For that I truly am grateful.
Someone believed in me;
How glad I am they were faithful.**

**Believe in someone today.
Tell them they have great potential.
Believe in someone today.
Encouragement is essential!**
