

## **Why?**

Why do young people not surrender today  
to take the gospel to lands far away?  
Is it because we have failed in our task  
or is it...to God for this we've not asked?

Have you, dear parent, giv'n your children to God?  
Or is this in our day and time not "mod"?  
Far the greatest reward a parent can claim  
is for giving his child Christ's name to proclaim.

No more happiness or success can be claimed  
than by those who have Christ's love proclaimed;  
So, dear Christian parent, please do not fear  
for God's will is best for those you hold dear.

## **CHANGING PLACES**

If you had to live  
with a heathen's fear,  
How much would you give  
God's saving grace to hear?

Put yourself in their case.  
Can you feel how they cry?  
Would you change with them place,  
both now and when they die?

God loves them so much  
that His Son He did send.  
Can He your heart touch,  
a helping hand to lend?

The Good News they must know  
of One who took their place.  
Some must send, and some must go.  
This news to them we must race!
