

TOO BIG A HURRY

**I got in too big a hurry
My Bible I didn't read.
And now I'm filled with such worry;
Thy forgiveness, Lord, I plead.**

**I got in too big a hurry;
I didn't take time to pray.
Now with tears my vision's blurry,
For I've walked in my own way.**

**I got in too big a hurry;
Too busy to serve my Lord.
I got in too big a hurry;
Too busy to use His sword.**

**So my Lord in His love for me
Sent me some trouble and pain;
That I might a better child be
and have His blessings again.**

**So now I take time to listen;
And to Him I daily pray.
And although my eyes still glisten,
It's with joy that's here to stay.**

**Oh, dear friend of mine, do you hear?
Can you learn from my mistakes?
Did I make the lesson quite clear?
"A little time is all it takes."**
