December 2015

Dear Pastor and Friends,

We trust and pray that you are enjoying the blessings of our Lord during this special season, celebrating our Savior's birth. Thank you for your prayers and support for the ministry of reaching Mexican souls for Him. We thank God for His blessings in the Churches during the past three months. The average attendance per Sunday in 78 churches and missions was 4,607 with 1,163 saved and 201 baptized.

We are enjoying God's blessings in the Bible College. We have a good group of students this year. In November we had Missions week. The Reddings who are working with us did a good job in planning the conference. There were presentations given by the students of the work of our missionaries in various countries and among the Indian tribes of Mexico. Besides several missionary dramas, the students also built missionary booths representing different countries. Each night there were missionary films. During classes in the daytime we had lessons on different missionary themes. I presented faith promise to the students in 4 separate lessons. A Faith Promise offering was taken up for \$2,000.00 per week among the 51 students, which they

give in the churches where they labor each week. The last night was the international dinner and the students parading the dress for their country of choice. Thanks be unto God. Nothing is impossible for God!

Please pray for the following:

1. Opening day of second semester on January 5
2. Planning of the youth camps
3. A young couple studying in the Bible College that is having trouble getting a visa & finances to stay in Mexico
4. Continued growth in the Churches with more souls and baptisms
5. God's protection for the pastors, people and your missionaries
6. The new Bible school year in September
7. A new church started in Valles

Again, many thanks for your part in the work. Our prayer is that God will continue to use you and multiply your ministry. God bless you.
