Dear Pastor and Friends,

Thank you for the notes, messages and emails which are an encouragement to us. We appreciate you and your faithful prayers and support for the work in Mexico. Thank you for allowing us to be your missionaries.

"But I say, Have they not heard? Yes verily, their sound went into all the earth, and their words unto the ends of the world." —Romans 10:18
Even as you have had to make changes in your ministry because of the coronavirus, we had to do the same. Our school year in Bible college was cut short and the students were sent to their summer internships. Graduation for this year was canceled and will be held next year in April. The pastors and churches have had to adapt to a new style of ministry. Almost all are doing live video services. Because of governmental regulations, we are limited to 10 or less in attendance. The pews may be empty but the airways are filled with the sound of the preaching of the gospel. The photos on the sides are our graduates preaching via live video.

Plans are still on the agenda for our camps in July, and the opening of the new school year in September. Pray for our three camps, for good attendances and that God will work in the lives of the young people. Pray that they will give their lives to Christ and many will surrender to the ministry. *"The harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest"* —Matt 9:37-38. Pray also that God will bless the opening of the school year in September with many new students and the safe arrival of the returning students.

There are many videos of the churches, missions and Bible College on our YouTube page. There are several presentations of the ministry. You may access, download and freely use them. They are categorized into playlists. On YouTube do a search for **sbbmante** and the link should pop up. The following link is a special message to you from us:

Thank you again for all that you do. We pray God's richest blessings upon you and your Church. God is faithful "...and is able to do exceeding abundantly above all that we ask or think..."
