Dear Pastor and Friends,

"We give thanks to God always for you all, making mention of you in our prayers." During this difficult time, we are so grateful to God for your faithfulness in prayer and support for the ministry. Thank you very much.

The work in the Bible College and in the Churches continues forward in spite of the circumstances that the coronavirus has produced. Because of government regulations and rules, physical presence is prohibited in some churches, and in others it is limited to a very few. Many of the Churches have had to go to preaching via Zoom, Facebook, YouTube and other means that technology has availed us. Every week the airwaves are filled with the churches declaring the Good News. Souls continue to be saved and baptized as a result. Recently, I had the blessing of preaching via Zoom to a Church pastored by one of our graduates. During these past few days the Churches in Mexico have had the blessing of virtually attending the Hispanic 2020 Conference. It was a blessing hear the preaching and see so many of our graduates along with many members in the Churches in attendance in the conference on Church Unity via Facebook, Zoom and YouTube.

Auditorium Bible College

We look forward to the new school year 2020 – 2021 in the Bible College. Plans are being made for the special services September 7-8. Preachers are lined up to preach both days. The students who have been out serving in the Churches after the Bible College dismissed classes will be returning to renew their studies. Pray with us for a good group of new students to take up the banner and begin their preparation for the ministry. Christ said to His disciples, *"The harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest."* We are aware of the pandemic, the difficulties and government regulations both in Mexico and in the USA that have been imposed on God's people and the churches. However, the harvest is still plenteous, and the laborers are still few. His command is still the same and the need to preach the Gospel is still the same. God is still in control and He has promised to bless His word.

SS Classroom Construction

Bro. Daniel Aguilar, a graduate of our Bible College, is still able to have services in his Church. They are averaging 140-150 in attendance in the main church and 40 in each of the two missions. God is blessing with souls saved and baptisms. They are presently in a building program increasing their Sunday School space. As Paul said, *"I can do all things through Christ which strengtheneth me."*

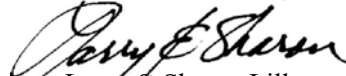

Sergio & Vicky De Lira

Pray for the ministry in Mexico, the Bible College and God to send more laborers. Pray for Sergio, our Dean of Men and his family. They have Covid-19. Thank you again for your faithfulness. May God strengthen and bless you. Keep on preaching the gospel of peace and glad tidings of good things.

" The things that thou hast heard of me...the same commit thou to faithful men, who shall be able to teach others also." —2 Tim 2:2
