Dear Pastor and Friends,

Thank you for your steadfastness, prayers and support for God's work in Mexico. We have definitely felt the effect of your ministry in the ministry here. Thank you for your continued faithfulness.

We are all aware that we are living in perilous times. But God says, "What shall we then say to these things? If God be for us, who can be against us? ...in all these things we are more than conquerors through him that loved us." —Romans 8:31, 37. The year 2020 was a difficult year. There has been opposition, the Covid, the shutdowns, government limitations and many Churches forced into virtual services. But God is still on the throne and blessing His Word as He has promised. In the 72 churches there was an average attendance of 4,426, 2,053 saved and 551 baptized. We are also able to preach and minister in our Churches via the internet and zoom.

We are thankful to the Lord for what he is doing in the Bible school. We opened the school year with classroom teaching. In January, 3 new students registered and began their studies. Also, we are able to be a blessing to the pastors and churches in the region by making available the Bible School for special meetings and activities..

the quality of graduates God has given us.

Bro. Jose is pastor of the Divine Savior Baptist Mission in Magiscatzin (30 min from Mante). They continue to have regular services (with no Covid cases). Last year they averaged 40 in attendance with 20 saved and 2 baptized. He is a graduate of our Bible school and doing a great job. We're proud of
