Dear Pastor and Church:

We are grateful to the Lord for His blessings upon the Churches and Bible College. Thank you for your faithfulness and part in praying for and supporting our ministry.

We thank the Lord for allowing us to complete the end of one more cycle of training in the Bible College. Three students fulfilled satisfactorily their preparation for the ministry and twenty-two more continue to advance in this process. We have 11 studying for their Bachelors degree in the INSTEP program via LBU in Louisiana. God blessed us immensely during the evening and morning services. We were greatly encouraged, blessed and edified by the preaching and the fellowship with the pastors and members of the churches that attended.

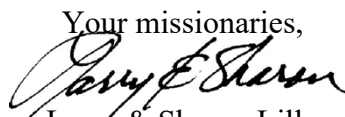

Following are some prayer requests concerning the work we would like to share with you:

- Sharon's and my health and the health of the Harveys.
- Intermediate and Youth Camp in July. The purpose of our camp is to motivate the young people of our churches to seek the will of God for their lives and surrender their lives to Him.
- For the Lord to continue using the personnel and faculty in instructing and training of those who have been called by God into the ministry.
- The Lord to continue sending more workers into his harvest and grant us a good number of new students in September.
- God to provide for some special needs related to the maintenance and improvement of the Seminary facilities: electrical system, dining room, public bathrooms.

Thank you very much for your prayers and investment of love, faith and resources in this ministry. We trust that our faithful and loving God will continue to pour out his abundant blessings on you.

"Then saith he unto his disciples, the harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest." –Matt. 9:37-38.
